Facts & Figures

Welcome to COLOMBIA!

From September 23rd to September 27th of 2024, be part of COLOMBIAPLAST, one of the most important international trade shows in Latin America for the plastics, rubber, petrochemical and packaging materials industry, organized by Messe Düsseldorf North America, Acoplasticos and Corferias.

At the latest edition of COLOMBIAPLAST in 2022, 200 national and international exhibitors participated during 5 days of exhibition, together with more than 36,000 visitors (including those attending the FIB - Bogota International Industrial Trade Fair, which takes place simultaneously).

Displayed products and services came from the most renowned companies of the industry, from all over the world.

Introduction & highlights

COLOMBIAPLAST will be focused on solutions for a sustainable industry, showcasing the latest developments and technologies in machinery and equipment, raw materials, production and process control, among others. Join the hundreds of business leaders from Latin America and the world who visit COLOMBIAPLAST.

COLOMBIAPLAST will take place at CORFERIAS, the Bogota International Trade Show Center, with a total exhibition area of more than 5,400 square meters.

The facilities have all the bio-safety protocols required by the National Government to host memorable events.
